INSPECTION PANEL

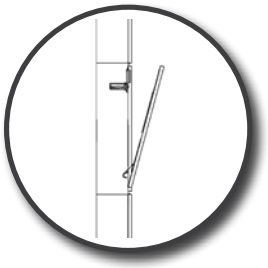
INVISIBLE,
FRAMELESS

KOLLER WHIRL-SYSTEMS

whirl.rkoller.com

Premium Quality

INSPECTION FLAP



Invisible, Frameless

for inspection openings of whirlpools, bathtubs, piping and covering
for access openings in tiled walls - the optimal solution!

Without ventilation grille

Ventilation grille in white

Ventilation grille in aluminum

The inspection panel from KOLLER is an excellent choice! It is frameless and invisible, making it ideal for inspection openings in tiled walls, whether for whirlpools, bathtubs or piping. With the integrated ventilation grille, it offers not only a practical solution for access, but also blends in harmoniously.

The inspection panel is available in **three different versions**:

Inspection panel with ventilation grille in aluminum, RVK-A01
Inspection panel with ventilation grille in white, RVK-W01
Inspection panel without ventilation grille, RVK-000
